

## Concert Singers of Cary

The primary mission of Concert Singers of Cary is to enrich our community through the performance of outstanding vocal music from all traditions, reward our audiences with choral programs that elevate, provoke, and entertain, to inspire excellence in performance by welcoming challenge, discovery and diversity and to enthusiastically support and promote the performing arts in the Research Triangle Region.

We know that our programming and our very organization (like almost all arts organizations) simply cannot exist without the generosity of voluntary contributions. Pledges from our membership, who already make dues payments and, *most importantly*, contribute their time, talent and energy, are especially appreciated. **Members' pledges are also exceptionally valuable** because, regardless of dollar amount, CSC's ability to show a high *percentage* of members willing to pledge greatly enhances our ability to secure pledges from other individuals and businesses and to favorably compete for grants. **Thank you very much for pledging!**
