

Love's Divine

Then the rainstorm came over me
And I felt my spirit break
I had lost all of my belief you see
And realized my mistake

But time through a prayer to me
And all that was around me
Became still.

I need love, love's divine
Please forgive me
now I see that I was blind
Give me love, love is what I need to
help me know my name.

Then the rainstorm gave sanctuary
And I felt my spirit fly

Give me love, love's divine
Please forgive me
now I see that I was blind
Give me love, love is what I need to
help me know my name.

Give me love, love's divine
Please forgive me
now I see that I was blind
Give me love, love is what I need to
help me know my name.

Give me love, love's divine
Please forgive me
now I see that I was blind
Give me love, love is what I need to
help me know my name.

Then the rainstorm came over me
And I felt my spirit
Rise.
