

CSC CORPORATE SPONSORSHIP PROGRAM

CSC, Concert Singers of Cary, offers a new Corporate Sponsorship Program this season to promote your business as you support the performing arts. Our concert season includes 6 major performances annually as well as a presence at local festivals and events. We collaborate with other local artists including the NC Symphony, Baroque Chamber Orchestra, Chamber Orchestra of the Triangle and many other professional organizations. Our membership is over 100 strong and are advocates for the choir among friends and family. We are proud members of the Heart of Cary Association and the Cary Chamber of Commerce as well as Chorus America.

With over 25 years of performance, the CSC is focused on our goal to enrich the regional Research Triangle communities by performing outstanding choral music from all traditions, earning us the title “Voices Head Throughout the Triangle.”

Participation in our Corporate Sponsorship Program offers many benefits:

- Enhance Company Brand and Awareness
- Build Business Relationships
- Contribute to Employee Welfare
- Strengthen Reputations for Corporate Support of the Arts
- Communicate Key Messages to Loyal Audiences

Our CSC conductor Dr. Nathan Leaf brings his passion for the choral arts and education back to the community and our membership delivers inspirational choral music to educate and delight our audiences.

Join us as a corporate sponsor and support performing arts in your community.
